A motion was duly made by John L. Yerkovich, seconded by Fred Radosevich and carried that the endorsement of the proposed Bear Valley Wetlands National Wildlife Refuge be endorsed by the Board of County Commissioners of Sweetwater County, Wyoming.

Mr. Jim Martin met this day with the Board and discussed the possibility of a Improvement District for Farson. After a discussion, the Board informed Mr. Martin that they had no problem with his proposal.

Brenda Tyler, from the Green River Recreation Center, met this day with the Board asking the Board's decision regarding a cut in fees for county employees to use the Green River Recreation Center and if the Board would sponsor and pay a deposit fee for the usage. After a discussion, the Board informed Ms. Tyler that they felt that it would not be feasible to enter into an agreement with the City at this time and perhaps a committee could be formed of county employees to collect the fees needed to start the program.
