Green River, Wyoming

The Board of County Commissioners met this day in special session with all members in attendance.

Approximately 18 people were in attendance representing various law and local agencies within Sweetwater County to discuss and view a presentation presented by Sharon Auzqui and Deb Foster, representing U.S. West Communications, on the Enhanced 911 System proposed for Sweetwater County.

After Ms. Auzqui and Ms. Foster answered all question concerning the operation of the system, there was a discussion on the location. It was agreed by all agencies involved that the more workable general location for the Enhanced 911 System would be the Sweetwater County Sheriff's Department in Green River.

There being no further business, the meeting was adjourned subject to the call of it's Chairman.
