Eugene Smith	Secretary of Board	10,000.00

Manuel A. Castillo met this day with the Board requesting consideration of a onetime investment to assist the newly formed Viet Nam Veterans Counseling Center in the amount of \$20,000.00. Following the discussion the Board informed Mr. Castillo that Sweetwater County would not be able to give him the funds as the present budget is already set but would write a letter of support so that he could apply for a Community Development Block Grant.

Lee Harms, Dan Bennett, and Eugene Smith representing the Farson-Eden Fire District came before the Board seeking a firm commitment from them regarding additional equipment needed to enable them to utilize a paging system which had already been purchased. Mr. Bennett stated that they had been working with the Sheriff's office for over three years in an attempt to purchase the necessary equipment. Undersheriff Larry Paine told the group that to purchase the equipment now was a waste of money since in a year when the E911 System is to be in place, their equipment would not be needed. He also stated that new disbatch center equipment was needed for the E911 System which he estimated will cost approximately \$123,000.00. The Board told the Fire District representatives that should it not be feasible to purchase the new disbatch center equipment in the next budget year, the Fire District's needed equipment would be purchased for them.

A motion was duly made by John L. Yerkovich, seconded by Fred Radosevich and carried that a 140 motor grader series G be purchased from Wyoming Machinery Company for the amount of \$139,036.00.

Brent Anderson, JoLynn Reeves and Larry Carlson of Counseling Associates and Michael Newman, Attorney, representing them, came before the Board to discuss concerns regarding Southwest Counseling contracting with local employers to provide Employee Assistance Plans. They felt that because Southwest Counseling is county funded, that they were subsidizing the service with taxpayers money, and thus being unfair to Counseling Associates, an agency in the private sector. Ford Bussart, Attorney, representing Southwest Counseling provided statistics showing that EAP's were not subsidized by taxpayers, but rather that they helped support the agency. An audit was suggested, but apposed by the Board. The Chairman indicated that they would take the matter under advisement and respond in writing.

John T. Nelson, Wayne Gudgell and Phil Trenary of the County Engineering Department met with the Board to update them regarding various on-going projects.

Yerkovich, seconded by Fred Radosevich and carried that Resolution 90-11-02-01 thru 90-11-02-020 be accepted as presented and that the following Quitclaim Deeds, deeding the alley adjacent to Lots 1 thru 20, Block 11 of the Town of Reliance, Sweetwater County, Wyoming, to the adjacent land owners, be signed.
