A motion was duly made by Larry Caller, seconded by Linda M. Taliaferro and carried that all County owned buildings be notified to fly the American flag during Desert Storm.

A letter was received from Ann Strand requesting consideration be given to former Chief Deputies Marvin Applequist and Jim Roth for payment of accrued benefits. Mrs. Strand also requested identification and clarification of the policy that states employees of an elected official are appointed and subject to termination when there is a change of the elected official.

The Board of County Commissioners at this time met with various elected county officials to discuss the policy of not paying chief deputies for accrued benefits upon termination from the County. After a discussion with the elected officials and the chief deputies it was agreed that there was no problem with the present policy of not paying for accrued benefits upon termination. The elected officials and chief deputies also discussed various questions and concerns with the present Personnel Policy Handbook. Fred Radosevich, Chairman of the Board, appointed Linda M. Taliaferro to chair a committee to review the Policy Handbook.

The Board met with David Rauzi, County Assessor and the County Engineers to discuss the proposed mapping system for the Assessor's Office. Mr. Rauzi was instructed to continue researching the possibility of updating the mapping system in-house or contracting it out.

John Frullo, Architect, met this day with the Board with an update of the restoration of the old nurses home in Rock Springs. After a discussion the Board informed Mr. Frullo that they would meet with him to do an on site investigation of the building and at that time would make a decision to proceed with the architectural design.

There being no further business to come before the Board, the meeting was adjourned subject to the call of it's Chairman.
