December 30, 2014

The Board of County Commissioners met this day at 1:00 p.m. in a special meeting with Acting Chairman Bailiff, Commissioner Kolb, Commissioner Van Matre and Commissioner West present. Chairman Johnson was excused from the meeting. The meeting opened with the Pledge of Allegiance. Acting Chairman Bailiff explained that the purpose of the meeting is to have an executive session to discuss litigation and the declaratory judgment action regarding holding two elected offices.

Executive Session

Acting Chairman Bailiff entertained a motion to enter into executive session for legal issues. ***Commissioner Kolb moved to enter into executive session. Commissioner Van Matre seconded the motion.*** The motion carried.

After coming out of executive session, Acting Chairman Bailiff explained that the board made an error by not making a motion after coming out of executive session during their November 18, 2014 meeting and stated that there was no intention of doing anything incorrectly. The commission concurred that no decision was ever made during the November 18, 2014 executive session; adding that the action was being filed in District Court and was public. County Attorney Brett Johnson explained that the commission was faced with a situation where they needed a legal answer prior to January 6, 2015 regarding if holding two elected offices was legal and would decisions of the commission be legally upheld if Commissioner Elect Randal Wendling served on both boards. Mr. Johnson explained that the error made was not intentional and apologized on behalf of the attorney's office.

Acting Chairman Bailiff explained that Commissioner Elect Randal Wendling chose to resign from the Sweetwater County School District No. 1 Board. Chairman Bailiff opened public comments. Rocket Miner Reporter Matt Nabor questioned what happens with the declaratory judgment. The commission explained that would be the next item discussed.

Declaratory Judgment Action Regarding Holding Two Elected Offices

Commissioner Kolb motioned, in the lawsuit between Sweetwater County Board of County Commissioner's vs Randal Wendling in a declaratory judgment, to dismiss the lawsuit. Commissioner West seconded the motion. The motion carried.

Adjourn

There being no further business to come before the Board this day, the meeting was adjourned subject to the call of the Chairman.

Subject: Wyoming Weed and Pest Control Act (Title 11, Chapter 5):
Appointments to District Board of Directors

January 2015 is the month and year for appointments to the Weed and Pest Control District Board of Directors (W.S. 11-5-104).

By statute, certain procedures must be followed:

Appointment shall be made by the County Commissioners at their first regular meeting in January of 2015, from among nominations submitted by petition (**Sample Enclosed**) at least five (5) days before the date of that meeting. A MINIMUM of 10 landowners must sign the petition. (W.S. 11-5-104(a))
2. Weed and Pest Board of Directors shall each serve for a term of four (4) years (2015 appointments expiring in January 2019) or until their successor is appointed and qualified. *The term does not end on December 31, but runs until a qualified successor is appointed.* (W.S. 11-5-104(b))
3. Some districts may also require appointments to fill unexpired terms. Even if an unexpired term appointment is considered at the commissioner's first meeting in January, the appointment can only be made for the length of the unexpired term and are not for a full 4-year appointment. (W.S.11-5-104(f))

4. Board appointments should be staggered. In other words:

If your local County Weed and Pest Control District has a seven (7) member District Board, by the end of the first meeting in January, you should have four (4) directors with term expirations of 2017 and three (3) directors with term expirations of 2019 **OR** four (4) directors with term expirations of 2019 and three (3) directors with term expirations of 2017

OR

PLEASE BE AWARE...there may be pre-existing discrepancies in some counties.

5. In districts encompassing cities with a population of 5,000 or more (2000 census), one board member shall be appointed from within the limits of a city or town. Check with the Weed and Pest Control District office to see if a city representative term is up for appointment. (W.S. 11-5-104(d))
6. A district board member shall assume office at the first regular meeting of the district board following appointment. (W.S. 11-5-104(d))
7. Qualifications: A district board member must be a qualified elector (registered voter and bona fide resident) of the board member area he/she is to represent, but he/she is not required to be a landowner. (W.S. 11-5-104(c))
8. The notice of the meeting should be advertised in the official newspaper of the county at least two (2) times before the date of the meeting, with the last publication being at least 10 days prior to the date of the meeting appointments are made. Dear Mr. Chairman:

Enclosed are two copies of a Bureau of Land Management (BLM) R&PP lease renewal offer (BLM Form 2912-1) for the county's shooting range complex, serial number WYW128014. Please review the offer, sign in the space provided, and return both copies to the address shown above. MEMORANDUM

To: Board of County Commissioners
From: Garry McLean *GM*
Date: December 29, 2014
RE: Health Insurance Conversion Policy Amendment

As you may recall, at the Board meeting on October 21, 2014, the Board approved to allow the County's third party administrator (TPA), UMR, to provide conversion coverage under the County's Health plan. In Wyoming, if an employee has coverage through an employer's group health plan or state or local governmental plan, and he becomes ineligible for that coverage, the employee is eligible to buy conversion coverage. The group conversion plan is a separate health policy underwritten by an insurance provider. Because an employee was previously covered under the County sponsored group health plan, he can have conversion coverage without giving evidence of insurability.

Attached is the amendment to add the Conversion policy to the County's Summary Plan Description (SPD).

If you have any questions, please let me know.

Amendment 02
Effective November 1, 2014
SWEETWATER COUNTY

The Health Benefit Summary Plan Description is amended as follows:

The following provision is added:

CONVERSION POLICY

When Your group coverage ends, You may have the right to enroll in an individual insurance policy. The benefits provided under an individual conversation policy may not be identical to those provided under Your current Plan. To find out more information regarding an individual policy You will need to contact the insurance carrier directly at:

UnitedHealthcare
P.O. Box 221709
Louisville, KY 40252
Phone Number: 866-747-1019
Email: icg.kyoperations@uhc.com

BY THIS AGREEMENT,

The SWEETWATER COUNTY Health Benefit Summary Plan Description

is amended November 1, 2014.

Authorized Signature _____

Print Name _____

Title Board Chair

Date January 6, 2015

IMPORTANT NOTICE:

The employer agrees to all provisions of this amendment as the basis for Plan administration. Except as specifically stated above, nothing in this amendment will alter or amend the summary plan description.

Any applicable stop loss policies typically rely on formally approved amendments or updated summary plan descriptions when determining whether reimbursement is appropriate. Failure to notify the stop loss carrier of plan changes may result in a stop loss gap or lapse in coverage. Notice to the stop loss carrier of all plan changes is required.

Please sign and return this amendment to your UMR strategic account executive as soon as possible. Note, however, that since the corresponding system changes have been implemented, these changes are considered final, regardless of whether or not a signature is received. If you have any questions, please contact your UMR strategic account executive.

Contingent upon your signed approval of the initial plan document, this amendment will be posted to the UMR member portal upon UMR's receipt of your signature, or within 14 days of your receipt of the amendment if a signature is not received by UMR. Please note that UMR will not print amendments or booklets until a signature is received.

Remember to keep a copy for your records.
